

WE ARE Central Coast PRIMARYCARE

...and we're here to help you.

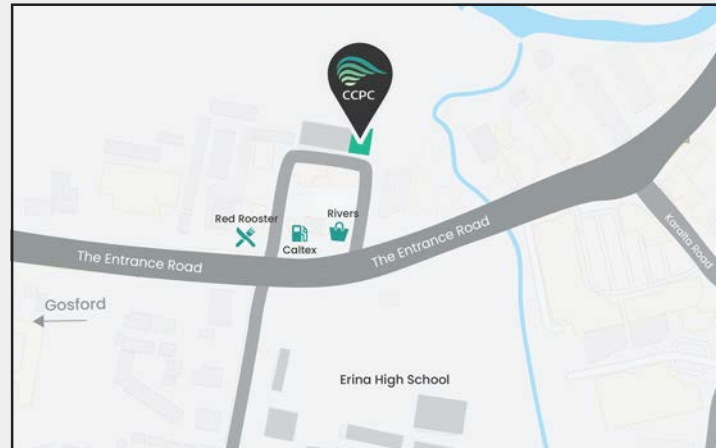

Central Coast Primary Care, also referred to as CCPC, is a local not-for-profit organisation that delivers healthcare programs and community services to the people of the Central Coast.

CCPC is a registered provider for the NDIS and accredited against the NDIS Quality and Safeguard Standards.

We've helped many people on the Central Coast and have fast become recognised as one of the leading providers of NDIS services in the local area.

CORE SUPPORTS

Core Supports help you with your day-to-day activities. Your core supports budget is the most flexible and, in most cases, you can use your funding across a range of support categories including assistance in daily life consumables and everyday items, transport, and community and social activities.

Core supports can include:

-  Assistance with cooking and cleaning
-  Assistance with garden and yard maintenance
-  Access to a range of social activities
-  One-on-one time with your support worker
-  Shopping and transport
-  Personal care

"With the support I get through Central Coast Primary Care my life has changed and continues to improve."
