BRIDGES AFTER HOURS GP CLINIC

The Bridges After Hours GP clinics provide access to GP services when your regular GP practice may be closed. Bridges enables you to access a doctor for issues that do not need a trip to the emergency department.

As with any new service, when you visit for the first time, you will be asked to complete a patient registration form that includes some personal information.

We will ask for consent to release your personal and health information to other health professionals including your regular GP.

HOURS OF OPERATION

The service operates:

Monday to Friday 7pm to 10:30pm

Saturday 3pm to 10:30pm

Sunday and Public Holidays

Erina: 10am to 7pm

Kanwal: 1pm to 6pm

Walk-in appointments cease 30 minutes prior to closing time.

OUR FEES

Standard consultation fees apply and are payable at time of consultation.

For information regarding concessions, please contact your local Bridges Clinic.

Additional charges may apply for treatments requiring suturing, removal of foreign objects, ECG, and pregnancy tests. These services are claimable through Medicare.
